

## The Market House - Exhibition Charges

We offer three levels of charges for exhibitions:

1. Flat rate £100 a week, including: Art showcased on the walls, information about the artist, costs and contact details are available. Dedicated time given to set up and hold a preview (12 noon – 8pm) and pack away (4 hours). Volunteers can show visitors into the exhibition on request. Art is exposed through the many activities and bookings we have.
2. Flat rate £180 a week, including: one day to set up and host a private view (12noon – 8pm). 2 full days open to the public (9am – 4pm), 4 hours clearing away and opportunity for last minute openings around other bookings. Any additional time required should be paid for by the hour according to our normal hourly rates.
3. Flat rate of £270 a week including: as above plus three additional half days (4 hours each) to fit around other bookings (e.g. LAMP, Meetings, community bookings, Battens).

Please get in contact the Bookings and Promotions Manager using the details below if your desired exhibition timings do not fit into any of the above categories; where possible we aim to be flexible.
